Dear Mrs Soffe and everyone at Solent Radio Control  
Model Boat Club,

Thank you very much for the generous donation of £160.20 raised from your most recent event this year, in support of Hampshire and Isle of Wight Air Ambulance. Without the support of the community we could not maintain our life-saving service, so a huge thank you to yourself and everyone involved at Solent Radio Control Model Boat Club for so kindly choosing to support HIOWAA!

In September Hampshire and Isle of Wight Air Ambulance were tasked to 193 missions:

- Air Ambulance attended 88 emergencies
- Critical Care Team Vehicle responded to 105 emergencies

Today our teams of highly specialised doctors and paramedics, equipped with state-of-the-art technology and advanced medication, bring the hospital emergency department to the patient, wherever they are, both day and night.

Thank you again for your generous gift. With your support we will ensure the Air Ambulance is always there for people in Hampshire and the Isle of Wight when they need it.

Thank you for so kindly donating £160.20 to Hampshire and  
Isle of Wight Air Ambulance, it's groups like yourselves that help to  
keep our life-saving operations so thank you! I hope you all  
enjoyed the day and thank you for making Nicole feel so  
welcome when she popped in to say hello.
