NEWSLETTER

Spring 2023

Welcome everyone to the Spring Newsletter.

Captains Chat

Well as soon as we thought Spring had sprung another cold snap appears to have kept our members at home in the warm. The Seasons have had an interesting effect on the Pond from almost drying out, frozen, flooding, and daunting potholes on the road! The flooding is slowly reducing after a very dry February and a large quantity of Road material has been deposited in the carpark which I assume is intended to fill the potholes, hopefully by the time you read this.

You will now be aware that we have scheduled our AGM for April, a Navy Day, a new style Sailing Day and an Exhibition. Our objective is to encourage a gentle recovery post COVID and get everyone involved again in activities after a long period of hibernation.

I am also aware that some of our Members have not been in the best of health over the last few months so I would like to wish you all a good recovery, the best of health and hope to see you all at the Pond in the near future.

Finally, a warm welcome to our new Members.

Charles
