Hi Folks

During our Permit renewal process Forest England have asked us to update our Risk Assessment by adding two specific sections, one relating to a potential Forest fire outbreak and the other to a Medical Incident.

Actions on discovering a fire:

- 1) Do not attempt to put it out.
- 2) Call 999 and / or Forest Commission 24 hour Emergency number: 023 8028 3141
PLEASE ADD THIS NUMBER TO YOUR PHONE
- 3) Pack up and evacuate the area as quickly and safely as possible.

Medical Incident:

Members are encouraged to carry details of someone who can be contacted in an emergency and who are able to advise them of any relevant medical condition that should be declared in an emergency.

Your actions could save your life or that of someone else.

Regards,
The Club Committee
